

find hope to move ahead

View The Allstate
Foundation's Moving Ahead
digital workbook.

Survivors of domestic violence need access to financial resources to stay safe. The Allstate Foundation partnered with advocates and survivors to create an online financial empowerment resource to help. The Moving Ahead workbook:

- Utilizes an individual, interactive approach.
- Provides resources to increase survivors' confidence to make decisions and take action.
- Offers practical steps to build a strong financial foundation and more.
